

The Annual British Student/Young Pugwash Conference

Interested in International Politics? National, Regional and Global Security? Energy Policy and Climate Change? Seeking to engage with Students, Young Researchers, Scholars and Professionals?

Join us on the 21st of March for a day long conference at SOAS, University of London.

The conference will address the following thematic issues:

- Climate Change and Energy Policy/Security
- New Security Context in Europe
- Security challenges in the Middle East
- New Technologies and Warfare
- Nuclear Governance in the United Kingdom

To attend, contact us by email : syp@britishpugwash.org and tell us why you would like to participate (150 words) and which of the abovementioned issues interests you the most. Deadline: 25/02/16
